

## FREE PARKING!

Parking can occasionally be difficult in downtown Denville, and since Hurricane Irene, the town has been working on ways to alleviate the issue. Therefore, parking is FREE at all metered and permit marked lots in Denville through at least the end of 2011.

In order to help our guests when visiting Mara's Café & Bakery, we have created this parking tip sheet. Parking is available directly behind Mara's Café & Bakery in labeled spots, as well as on nearby streets and metered parking lots. ***As mentioned, metered and permit marked lots are now FREE. They will be so until at least the end of the year.***

Please note that the lots behind the buildings next to Mara's are for their tenants and customers. If you are visiting Mara's exclusively, it is our recommendation that you park elsewhere. If you are visiting another business and Mara's during the same trip, please use your discretion. We hope this clarifies your parking options, as we strive to make it easier for you to visit Mara's Café & Bakery.

Where to park when visiting Mara's Café & Bakery?

- Directly behind the café including the lined spots along the back staircase (our rear entrance is always open).
- FREE public parking on all streets in town including in front of the café and all along Main St.
- FREE metered or permit marked lots on Main St. or Bloomfield Ave. The Main St. lot is about 200 yards past the café just after the Diamond Spring traffic light. The Bloomfield Ave. lot is just down Bloomfield Ave. behind where the old Fireside Restaurant used to be.
